PLACING AN ORDER

It is highly recommended that personal information (name, address, phone number and email) be verified before order submission as once the shipment is in the care of the US Postal Service or other carriers, we cannot, by regulation make changes nor can we guarantee delivery.

DOMESTIC ORDERS

AMPLIFEI™ and HAPInss Brands™ ships within the continental U.S.A, which includes Hawaii, Alaska, Puerto Rico, British Virgin Islands, U.S. Virgin Islands, and all APO/FPO/PPO addresses.

INTERNATIONAL ORDERS

AMPLIFEI™ and HAPInss Brands™ can ship products to other countries outside of the U.S.A. It is important to become familiar with Customs policies for your specific country before ordering. Customs regulations differ by country and not knowing regulations can result in your order incurring high import duties, delivery being delayed, product being destroyed, or returned and it is not uncommon for products legally sold and distributed in one market to be regulated or even prohibited in another. In fact, it's common for unregistered products arriving at a country's border to be stopped or seized by Customs authorities. Many countries limit, restrict, or even prohibit ingredients that are freely available in another. For example, a recent "Psychoactive Substances" legislation has been passed in a number of countries governing how, when, and where a large set of ingredients can be used including the use of Cannabis and Hemp products. Please check with your Customs Office to see if your country permits the shipment of the products you are planning to order, and whether any additional licenses or permits are needed.

By placing an International order, you agree to the following:

- Customers and VIPs acknowledge responsibility of, and agree to abide by, their country's import laws and restrictions, and agree to assume total responsibility for confiscated, lost, delayed, or destroyed shipments due to import restrictions, etc. In the event a package is confiscated, lost, delayed, or destroyed by customs, we are, unfortunately, not able to offer a refund.
- Customers and VIPs acknowledge that, on a case-by-case basis, a lost international package may result in a Company credit, less shipping & handling and a 10% restocking fee.
- For International orders, if your package is lost you can file a claim by emailing support@amplifei.com. Please Note: all International claims are handled on a case by case basis
- It is the responsibility of the Customer and VIP to provide accurate international shipping information.
- In the event the Customer decides to change the shipping address originally included with the online order, a new order must be submitted as AMPLIFEI™ and HAPInss Brands™ are not responsible for replacing/reimbursing misrouted packages to customers after a change of address.
- Customers and VIPs are responsible for all import taxes and/or customs duties, and shipping fees including any and all expenses for lost, damaged, spoiled, stolen, delayed, redirected, and re-routed shipments.
